If your boat is no longer in production, please give us a call. There are a few specialty items that are obsolete and can no longer be obtained, but we can usually suggest a good alternative. Carol is our parts expert. She can be reached at 951-277-3377. She runs price specials from time-to-time, so if you are interested in hearing about these specials, send an email to schock@wdschock.com and ask to be added to our email list.

The acrylic hatches for your Santana, Wavelength, or Schock are on sale right now. If you order by January 30, 2010, you can take advantage of the special prices listed below. Just call Carol at 951-277-3377.
