

A MILESTONE FOR THE HARBOR 20

#300 Will Be Launched February 22, 2010

The Fourteenth of January is a very big day for Steve Woodruff. It was the day he ordered his new Harbor 20 and landed Number 300. It was also the day, exactly twenty years ago, that he ordered Schock 35 #64. Steve named his S-35 *Adrenalin* and enjoyed every exciting mark rounding during about ten years of a very busy race schedule. He expects to get the very same rush from sailing his new *Adrenalin*, and is looking forward to his first start as a member of Fleet 1 in Newport Beach. We imagine we will also see him out daysailing on lazy Sunday afternoon.

Harbor 20 #300 will have a beautiful dark blue hull and a two-toned deck. It will be on display at the Southern California Yachting Association Los Angeles Boat Show at the L. A. Convention Center February 18 – 21. Steve will be there, proudly showing off his new Harbor 20 and offering test sails.
