

## BORN TO SAIL

Christmas 2010

Her name is Sasha Double, she was 2 and 1/2 when this photo was taken, and she lives in New York. Sasha, her new baby sister, mom, and dad were in Newport Beach visiting for the Christmas holiday. This was the very first time for her at the helm -- and she just loved it -- and, of course, her Papa Lee was thrilled (and her Mimi was as well)! Isn't being a grandparent just the greatest!!
